McCormick Hits in Tenth. Scoring Run, but Umpire Refuses to Allow It.

BEEN CALLED HAD

He Was Announcing Changed Batters-Thus Game Goes to Scoreless Tie.

New York, April 25.—New York practically won to-day's game in the tenth linning, when McCormick, pinch hitting for Al Demarce, came up with the bases full and nobody out, and drove a single into left field. The fans started to troop into the field, thinking the game was over, but Umpire Klem, who had turned to announce the change in batting, ordered the runners sent back and the play continued. McCormick was found under the shower in the clubhouse, and, after a little wait, resumed his place at bat. He hit into a double play and Snodgrass was an easy out. The game went one more inning and was then called.

Demarce, McGraw's recruit from the Southern League, proved his worth by holding the Phillies to three hits. The score:

#### DODGERS COME BACK

Boston. April 25.—Brooklyn came back from her close defeat of yesterday and walloped the Braves in today's game, 7 to 1. Heavy hitting at opportune times was responsible for the score, while Stack held Boston practically helpless throughout.

Brooklyn broke loose in the sixth and seventh, scoring three runs in each frame. In the sixth Smith singled with the bases full, scoring two and putting Daubert on third. Miller's single then counted the star first baseman. The Braves scored in the seventh. Titus got three bases on his hit, which took a bad bound, and crossed the plate on Sweeney's out. The score:

### PIRATES BEAT RICHIE

l'ittsburgh, Pa., April 25—Richie was hit hard by the Pirates to-day, and the detensive work of the Cubs was weak, Pittsburgh winning, 6 to 3. Robinson, a Texas southpaw, pitched splendidly for the home team, and had the Cubs scoreless up to the ninth. In that stanza Leach, pinch hitting for Clymer, slapped out a triple and Schulte followed with a single, Leach scoring. McCarty fumbled Mitchell's tap and both runners were safe. Zimmerman doubled to left, scoring Schulte. Mitchell scored on Saier's fly to Hofman and Hendrix came to the rescue. Hendrix stopped the rally in a hurry. Chicago.

Kilbane and Dundee Let Up in Training for Tuesday's Championship Battle.

ing days are about over for Johnny Kilbane and Johnny Dundee, and only for the fact that the featherweight championship battle is not to be staged until next Tuesday night, the two fighters would not work any further. As both boys are fit and ready now, light training will be the order until Sunday afternoon when, after final workouts, the camps will be closed for good. The matter of weight is not bothering either man. Dundee raised the beam at 123 pounds to-day, while Kilbane has been at weight for several days.

Champion Kilbane is quietly confident that he will successfully defend, his title, and that without much trouble. Scotty Monteith, manager for Dundee, on the other hand, declares

#### PLAY AUTOMATIC GAME

Detroit, Mich., April 25.—To-day's Cleveland-Detroit game, won by the Naps. 3 to 0, was an automatic sort of affair. The hits all were clean and the outs all easy. Ladd's error was a high throw and Veach's was an excusable fumble of a single in left-centre. Blanding's pitching kept the Tigers bounding the ball to the infield Johnston getting two-thirds of the putouts. But two Tigers reached third, both on misplays, one a passed ball and the other a bad throw. The score:

Change in Scoring Rules

Chicago. April 25.—Hereafter American League batters will be credited with hits on certain plays hitherto scored as fielding choices, according to a notice sent out by President Ban Johnson to official scorers in his lengue. His letter in part follows: -

"Official scorers of the American League are requested to credit the batsmen with hits in the following cases: When, with one or more runners on bases, the batsman reaches first base on a play to retire the runner nearest to home plate, and no out results, provided that the play be made without error by an opponent.

"Example: With runners on first and second, the batsman hits to pitcher or inflelder, who makes a perfect attempt to retire the run-ner going to third, but the runner beats the play, and the batsman reaches first."
